

You are invited to the **2024 Community Bridge Benefit Brunch** May 18th from 11:00am - 1:00pm at The Center for Changing Lives (2400 Park Ave S, Minneapolis, MN 55404)!

Community Bridge is a local non-profit organization that focuses on hunger relief, especially for the unhoused population. **Our mission is to empower people to meet their needs and create opportunities for all to thrive.** We support our mission through our food shelf, community meals, and job training.

2023 was a busy year for Community Bridge.

- Through our food shelf, we served **982 households**, totaling over **2000 individuals**.
- We served nearly **60,000 prepared meals to the community**; including the homeless encampments and local clinics.
- We partnered with the Partners in Prevention Clinic from Metro State University to provide a **free healthcare clinic** during our weekly community meal.

As an organization who is community run, we rely on the support of donors and volunteers to make our work possible. In order to deliver the highest impact with this event, we think **YOU** can help our efforts go further. Sponsors of our event will have their logo featured at the event and on our website. See attached sponsorship tiers for more information about how each amount supports our organization and what we give back to you!

By financially supporting Community Bridge, you will be directly helping with hunger relief in the Twin Cities.
